Pathfinder Care Management has been approved by the State of Minnesota Board of Social Work to provide CEUs (CEP – 534). Other disciplines (Nursing, Administrator, etc.) can determine if the content of this presentation meets their requirements.

Date & Time: SAMPLE

Topic: *Understanding the Basics of Professional Geriatric Care Management*

Presenter: Margaret Wallace, LSW - Community Relations

Margaret Wallace brings 20 years of experience working in the senior care industry. After graduating from the University of Wisconsin – Stout, she worked with seniors for 10 years as a Social Worker and Director of Social Services for Good Samaritan Society and Friendship Village of Bloomington. For nearly 10 years, Margaret worked as Communications Coordinator and Editor of the Network News for Care Options Network. She assisted with the development of the professional organization, Social Workers in Marketing (SWIM) and held several board positions, including President. Margaret is also a member of both the Minneapolis and St. Paul Senior Workers Associations.

Objectives:

- Understand the three main models of Geriatric Care Management in the Twin Cities
- Understand the role of a Geriatric Care Manager (GCM)
- Identify red flags when working with seniors and their caregivers that might indicate a GCM would be helpful
- Discuss how working with a GCM can help reduce potential for hospitalization
- Identify the benefits a GCM can offer the senior, family/caregivers and other involved professionals
